100% RECYCLABLE

DESIGNER NOTES

What a great way to promote conversation! This modular system combines our popular BayView bench design with an attractive planter. Seating can be extended in a variety of lengths and the overall combinations are endless. The connections between benches and planter reduce the number of legs thereby limiting the amount of clutter and spaces for debris to accumulate. Families and friends can stop, gather together, converse and literally smell the roses!

AVAILABLE RECYCLED PLASTIC LUMBER COLOURS

Black

Green

Harbour Grey

Light Grey

Redwood

Sand
