# Beselt Chair

Model Number

B-2 (2 ft)

The Wishbone Beselt 2 ft Chair is a durable and versatile seating solution built to thrive in the toughest environments. With its marine-grade aluminum frame and a range of customizable seating materials, this chair is tailored to meet the diverse needs of our clients. Crafted with precision in British Columbia, the cast aluminum frame delivers exceptional sturdiness and strength, ensuring years of reliable use. Choose from a selection of premium seating options, including 100% recycled plastic boards, hardened bamboo, modified pine, or cedar, to best suit your environment and aesthetic preferences. Designed for flexibility, the Wishbone Beselt Chair can be used as a free-standing piece or securely bolted down for added stability in public or high-traffic areas. Its comfortable seating surface and thoughtful construction make it ideal for both indoor and outdoor settings.To accommodate various shipping and installation requirements, the chair is available fully assembled for instant use or flat-packed to minimize shipping costs, particularly to remote locations. With its robust construction, customizable materials, and eco-friendly options, the Wishbone Beselt 2 ft Chair is a stylish, low-maintenance, and sustainable seating choice for parks, patios, commercial spaces, and more.
