

JEM Rocking Chair

Model Number:

JRC-34

Designer Notes

The JEM Rocker is the perfect combination of style, comfort, and functionality. A rocking chair version of our highly popular JEM Lounge Chair, this new design is a first in the street furniture market. Relax and enjoy the smooth rocking motion that the JEM Rocker provides. The unique design of this chair allows it to be secured to concrete, providing peace of mind in environments where it could be taken and end up in someone's backyard. This feature makes the JEM Rocker ideal for outdoor use in public spaces such as parks, universities, and urban areas. Crafted by Wishbone, a leading innovator in the street furniture industry, the JEM Rocker features a sleek and modern design that will elevate any outdoor space. The comfortable and supportive seat will make it tough to leave, and you'll find yourself enjoying the outdoors for hours on end.

Whether you're looking for a comfortable and stylish seating option for your backyard, a public space, or a commercial setting, the JEM Rocker is the perfect choice. Experience the ultimate in relaxation and comfort with the JEM Rocker from Wishbone.
