

MODENA PARK BENCH - ALL METAL

Model Number : MAL-5 (5 ft) MAL-6 (6 ft)

DESIGNER NOTES

The Modena All Metal Park Bench has a sleek and stylish look where the desire is to bring a cool and modern feel to an outdoor space. The aim of this product is to maintain the contemporary look of the standard Modena while also suiting applications requiring all-metal construction. We manufacture our own castings used on the leg ends, from 100% recycled aluminum car and truck rims. Using the full weld system allows the product to withstand heavy use, and whatever the weather throws at it while maintaining a competitive price point. Style and strength have never looked so good!
