

# Sentinel 2 Space Bike Rack

Model Number

SLBRP-37

The Sentinel accomplishes bike security with a small footprint and effortless design. The overall look is reminiscent of a bollard and may even pass for one! The recycled plastic slats on either side act as a buffer between the rack and bike reducing scraping and damage to both. It's aluminum frame is extremely strong and corrosion resistant and can be powder coated to match the environment it's being used. Bicycles can be secured in a variety of configurations. Custom-routed lettering or logos optional.
